REMARKS

RETURN TO CIA LIBRARY

25X1 No aircraft were seen stationed at the HALLE-NISTLEBEN (M 52/D 82) airfield but individual biplanes occasionally landed there. The observation of some Soviet Air Force soldiers indicated that the kasernes at the field were occupied by an air force unit.

Comment:

The information that no air unit is stationed at the field agrees with previous reports. However, the report is the first to state that a Soviet Air Force unit is quartered in the airfield kasernes.
